PDF | A research project on Indonesian ulama gave me the opportunity to visit. The simplest work in this category is Bina (Al-bina' wa'l-Muhammad). It includes the production of several copies for sale, as well as housework. This work consists of laundry, washing dishes, etc., as well as gardening and cleaning the area. Household and garden work includes cleaning rooms and territories and even cooking. Apparently, this job is seasonal and is one of the lowest paid occupations. At the same time, a woman must be married, although in practice this often turns out not to be the case.
