It has a Norton toolbar called "License Manager" which is basically a desktop Norton license key. It works with the Norton antivirus. It has saved my behind about a dozen times. I used to get the occasional BSOD and I suspect it is because of this software. So much for having a linux distro on your desktop. Why did Democrats select Pelosi? House Minority Leader Nancy Pelosi was called many things during her tenure in the House. She was lauded by the liberal media for her progressive stances on issues like immigration, abortion rights and gun control. She also had to be dogged by repeated rumors of Democrats not wanting her to lead the Democratic caucus. Pelosi, who was elected speaker for the second time in 2007, will be leaving Congress at the end of this term. Why then has the Democrats selected her to be the next speaker? A Look at the Contenders Jan. 14, 2018, 2:45 p.m. Why would Democrats select a 78-year-old, 10-term lawmaker as their new leader, one who is often criticized for being a stiff and ineffective speaker? It boils down to the principle of a "winner-take-all" system, said Kenneth S. Baer, a former spokesperson for the Democratic National Committee. "By having what appears to be a default in the way this all works, people say, 'Oh, this is going to be President Trump's. It's going to be McConnell's. It's going to be Mitch McConnell's.'" House Minority Leader Nancy Pelosi watches as she addresses the California Democratic Party's Legislative conference in the San Francisco on June 17, 2017.
