If not could you please give me a reference. I think it is true but can't prove it. Thanks in advance. A: Unless I'm missing something, the right hand side is trivially equal to $$ \{ T \in \mathrm{Hom}_{\mathbf{R}}(M, M): T(e_i) \in \mathrm{Hom}_{\mathbf{R}}(M, M) \} $$ where e_i denotes the i-th basis vector. On the left hand side we have $$ \{ T \in \mathrm{Hom}_{\mathbf{R}}(M, M): T(M) = \mathbf{R} e_i \} $$ which, as long as i is not the index of an element in the basis, is the same as $$ \{ T \in \mathrm{Hom}_{\mathbf{R}}(M, M): \alpha_i T(m) = \alpha_i m, \; \forall m \in M \} $$ where α_i

Looking forward to more discussion on this forum. Let us get to it. Send me your email and I will send you the info on how to get it. I got SDA from a lady here who gave me her friend's sim card of T-Mobile USA. Her friend was a lawyer in New York. There is a forum discussion on this topic here. I sent you my email, but I will PM you, just to be sure you get it. bfcnanime 04-02 06:14 PM I have posted this for you to look at already. Your letter was sent and on Monday (2/27), I received the USPS letter titled "Customs Data Retrieval of Entry Summary" that says that they will be mailing a Visa number to my ADDRESS. They have verified that it is my address, so I don't know why they wouldn't mail the Visa. I was never notified of that request. I also sent the form on line in order to process the Visa number. Do you have any ideas as to what could be causing this??? thanks, Jure Nayan 12-20 07:35 PM Where can I ask the BB to scan a receipt of the credit card used to make the purchase? We will need the receipt number. Besides, that receipt is a good deal for the service you provided the guy. There are a few things that could have happened here. 1. BB or TC agent has the wrong number. So you need the original receipt to verify with BB that its correct. 2. There could be a mix up with the billing info
