■ Description The Official Fantasy RPG® is back with its latest installment—the new fantasy action RPG! • Adventure with Tarnished: Immerse yourself in a fantasy world full of excitement and action. You'll have the chance to fully explore a vast world of incredible scenery and extremely diverse dungeons. ■ A Challenge Without End While the world of Tarnished is rich

with varied places, there are vast numbers of dungeons, and many of them are enormous, and can be very difficult to clear. However, your abilities will enable you to traverse this world and clear dungeons of any size. In addition, you can refine and augment your skills with a wide selection of technology and techniques, and use the customization system to enhance your character. ■ Become an Elden Lord, and Lead Others Assume the role of an Elden Lord in your life to lead Tarnished. Craft and guide an army of followers and forge the world into a kingdom. You can command them in battle, and they will overcome the difficulties that arise. ■ A Luxurious RPG Experience Tarnished offers a beautiful and immersive 3D fantasy world, and the latest full-featured story and gameplay elements. Savor its wide-open world and deep gameplay experiences, and enjoy a unique RPG that goes beyond anything you've experienced before. ■ Play as a Team Engage in the online game where you can directly connect with other players and join forces in large-scale battles. In addition, you can travel together, and visit places other than your own. ■ Tarnished is Just the Beginning Get ready for the next chapter of the Official Fantasy RPG! You can purchase the game here. ■ Key Features ■ Character Creatability There are more than 450 items available to customize your character. As you change your appearance, skills, gear, and upgrades, your character will become more powerful. ■ Explore a Wide World Tarnished takes place in the Lands

Between, which is a fantasy world full of imagination and adventure. The Endless Plains stretch endlessly and the hills are dotted with countless villages. There are vast and diverse dungeons, and many of them are enormous, with highly refined environments and deadly traps. ■

Crafting In addition to its incredible breadth of items, Tarnished features many useful and high-level crafting items for creating the potions that will be necessary to make your adventurers strong. ■ Online Ranking Ride on

It's hard to imagine a more popular winter finale than that of Mass Effect

3.

Mass Effect 3: Collector's Edition launched this week, with *Mass Effect 3: Citadel* to follow on Nov. 4 on the Mac.

Some believe the timed release of the final act could be seen as an attempt by EA to capitalize on the holiday season. Regardless, the recent availability of a demo has fans excited and apparently eager to get their hands on the game proper.

The Mac OS X version of the demo is now available via the Mac App Store for free, though you may need to wait until Thursday afternoon to get it before the retail server crashes and the game goes offline.
