ABOUT NERO COLLECTION An action RPG game that fuses the genres of the previous game series. The goal of the story is to defeat the Landlord made from scraps and unite the lands of the world. The hero can be switched to any of the three characters with unique features, each with their own story and play style. The three characters include: Elden Hunter: a strong man specialized in combat, who wields a sharp axe. Elden Marauder: a man with a strong physique, who is proficient at unleashing powerful attacks with his dagger. Elden Sorcerer: a magic specialist who uses a staff and can use magic while in motion. *The game supports high definition and full facial expressions. *Deeper Gameplay Experience
ABOUT ARK: The Persistence Ark is a different way to kill monsters and monsters free, including PlayStation VR, a VR experience for you to experience hunting from another angle. In Ark, you use weapons to fight monsters that you catch, but when you defeat a monster, it will transform into a “Reward” that you can trade to the Ark Skill Node. Ark’s weapon system is equipped with a variety of traps, such as “Limit Break” that can deal heavy damage. You can combine attacks to deliver powerful damage to a monster. The attributes you assign to your weapon will determine your attack power. In addition to being able to select your own weapons in the shop, you will also get a chance to obtain skills for weapons in your quest. Key Features

- An Ark Experience for PS VR
- An Immersive VR experience in which you’ll be able to feel the freedom of shooting at monsters while being able to experience VR shooting from a different angle
- Story Mode, Free Mode, and PvP Mode that will let you play solo or team up with other players
- Unique weapons and monsters that can be caught through hunting with your guns
- Improves your perception through various factors, such as Stamina and Accuracy

Modern day of the 19th century, the humans are still fighting for supremacy. Those who are on top must have the upper hand at any cost. As you are one of them, it was your destiny to lead the whole country. As your destiny awaits you as a tyrannical ruler, you achieve it and as a reward, your desire is to become a virtual god. Seeing it, you decide that there is a person who is a threat to you. His name is Tamagata and in a time when these monsters called the Vampires are still existing, he is one of them. You decide that he will disappear and no one will know where he really is. To accomplish that, you have to kill a person in order to inherit a mystical artifact, the Dragon's Gift. In this artifact you can see the basis of all power. The first step to eliminate Tamagata is to seize him, but all too sudden, you get attacked by a monster called a Blade Link. It's a monster created by your ancestor's mother. As you are defeated, you see your surroundings being destroyed. A vision from your ancestor's memory draws your attention to a sleeping girl. As you protected her, this girl saved your life and you both fall asleep. Now you begin to remember the history of the three
