CAMPAIGN STORY ELDEN RING game: FEATURES ELDEN RING game: Game features: ▶ Universe 1. Large and deep world open to exploration Completely free from the constrained environment of existing titles, the story takes place in a separate world that is connected to the Lands Between. By learning the local language, call sign, and customs, you can enter the parts of the Lands Between that are secluded to create your own town or city. You will also make contact with other civilizations, and from then on, you will be able to live out your adventure like a typical fantasy RPG. 2. Rich and lively world A large world encompassing various cultures and local customs that spans an expansive area, with the atmosphere of diverse

ways of life, a charming story, and epic dungeons. You will enter into a fantasy RPG where you can freely experience a full scale adventure by interacting with various characters in this vast world, such as performing a quest in the Lands Between, or a daring rescue operation to save your hometown.

3. Dynamic online play Coupled with the offline game, you can freely form an alliance with others to chat with them or perform a joint quest. Additionally, you can even purchase items and equipment together with your allies, and this will deepen your ties with them.

4. Supports systems other than basic fantasy tropes A number of systems other than the usual fantasy tropes were added for you to enjoy.

- ▶ **Combat Action** The combat system depicts a variety of techniques by allowing you to activate various special skills while you attack your opponent.
- ▶ **Custom Story Mode** Custom story mode lets you enjoy the story with the character you created with all the essential elements while you play the game.
- ▶ **Numerous NPCs** An increasing number of NPCs in addition to the main character will appear as you play, allowing you to experience a variety of interactions with characters and have more fun.
- ▶ **Various Hair Styles** Depending on your preference, you can freely change the hairstyle.
- ▶ **Shop System** You can visit shops, purchase items, and even combine items to craft items to equip your character.

Quest Settings After starting your quest, you will be able to change the difficulty to suit your own level. This feature lets you

NEW DELHI: After small talk, understanding seems to be the key to finding workable solutions at India-China summits. After the joint communique in Xi Jinping's first visit here last week, the two sides are now planning to devise a workable framework for tackling tariff issues. The first look at the protocols says "India requests China to reduce tariffs on duty-free goods, refrain from imposing any new import tax which exceed benchmark rates... India will adopt an approach of tariff parity at worst case, while China has offered a framework of consultations". The two sides will meet at a high-level bilateral meeting in New Delhi on December 3. Ahead of the summit, Chinese Trade Minister Gao Hucheng said Xi is not a "Tariff Man" but would be open to discussions, according to the official transcript. "China is open to the solutions and
