and now features the Madden Ultimate Team platform, which allows for the in-game purchase of players, stadiums and more. A new, more advanced gameplay engine and new camera angle brings depth to all areas of the game. World-class players are at their best in all ways, their touch controls, animations and goalkeepers used by legends of the game. EA SPORTS FIFA 22 is only compatible with newer Xbox One consoles, and it was developed for Windows 10 and Xbox One only. In order to play EA SPORTS FIFA 22, an EA SPORTS account is required. Please visit [www.easports.com/fifa](http://www.easports.com/fifa) for more information. EA SPORTS FIFA 22 introduces several of the most significant new features to the series since 1998, including: The ability to simultaneously play online, on the same console, as up to three friends – just like the real thing. The online experience has been expanded, too, allowing up to four players on the same console and 64 players on each of a select group of consoles. Visual improvements that bring the game to life, including: Full-motion, in-game camera – that’s right, the game’s camera is now the same as the TV cameras – bringing the environment to life and bringing focus back to the gameplay. Optimized match engine – if you’ve ever experienced lag, then you’ve experienced the game’s engine running poorly. The game has been optimized to best utilize the latest hardware, and the result is a smooth gaming experience that allows players to play without lags or other technical issues. Match engine enhancements – closer to the real thing. FIFA Match Day Experience In FIFA 22, the best way to enjoy the game is through a mouse and keyboard or controller. bc9d6d6daa

Whether you’re looking to build your dream team, play alone against friends, or challenge the world’s best in online matches, FIFA Ultimate Team has something for everyone. Train the next big thing, as you test out any number of real or fantasy players, kits, and staff to see how they will perform on the pitch. Then check out our game modes for daily and weekly challenges to test your skills in a real competition. A daily and weekly challenge show off your potential and challenge the world. Additional content will be featured and available in FIFA Ultimate Team this year, including: Blank Arena – A new football-inspired, digital outdoor experience where you’ll be able to take the field in the legendary stadium and challenge other players in a variety of online modes, including 2 vs 2, 1 vs 1, and 3 vs 3. FIFA Ball – The best way to let your friends show off their soccer skills in 3 vs 3 matches and custom tournaments. FIFA Mobile – Experience the next generation of handheld soccer action, as you and your friends take on the challenge of creating your own tournaments, playing with friends, and becoming the ultimate Soccer. Each day, at 3pm ET, a new Challenge will be announced. On each Challenge, each player in the world will be on the hunt for a FIFA Ultimate Team Gold card. One lucky player will be randomly selected to win this card and their choice of one Football, Soccer Ball, Goal, or Stadium. For more information about other ways to get FIFA content from EA SPORTS, visit the FIFA website or mobile app, and connect on social media. FIFA Manager – FIFA Manager mode is also available now in FIFA 18. New additions include a brand new training routine for your players, a new all-new Training Routines mode, new matchday events, and a host of improvements and additions to the most popular and customizable mode in the franchise. FIFA 18 will also feature a brand new card collecting system that gives you even more ways to customise your team and improve your Manager’s own attributes. When you start a new game, you can choose to play as any of the existing 150+ nationalities or create your own. Your attributes will be your personalised slice of the FIFA Ultimate Team pie and you’ll also gain access to more cards than before as you earn coins from playing. With the introduction of The Journey, we have also added a new generation of cards to
