The group disbanded in 2013. Maher subsequently released an eponymous solo album in 2017. Early years The original lineup for Wake Up consisted of Maher, brothers Lucas and Zach Brown, and new members Mark Lee, Anthony D'Amico, and Jared J. Conrad. Wake Up's first album, Relentless Crown, was released in 2006. The song "Stars Align", from the album, won the GMA Dove Award for Rock Song of the Year. Maher's vocals are considered to be a defining feature of the band's sound. Reunion and post-Wake Up projects Matt Maher embarked on a solo career in 2009, releasing his first album, Hypnotized, produced by Kerry Livgren of the band Kansas. In 2017, Maher announced a second solo album, titled, The Alchemist. Zach Brown has a solo career as the singer of The Black Crowes. Mark Lee has remained in the Church of Music, releasing a solo album, Mercy, in 2017. Anthony D'Amico is now the lead vocalist of Chagall. He now owns the
