It was reported that Cliffy B, the founder of Rockstar Games, had finally left the company after working there for twenty-three years, and he's now an Xbox Game Studios. He was assigned to create something with newer technology, which will be used by the Xbox. Ultimately, he designed Red Dead Redemption 2, which released on October 26, 2018. Both of these games were critically acclaimed, and his prior game, Grand Theft

Auto IV has sold over 62 million copies. This made Red Dead Redemption 2 the company's most successful game yet, and also their highest-grossing game ever. It has a Metacritic rating of 92/100.

This game was released on October 26, 2018. Though, the game was ahead of schedule, it was postponed till next year so that the developers could release Red Dead Redemption 2. The game was released a bit ahead of schedule. At the time of its release, the game sold 1.5 million copies within the first ten days. Red Dead Redemption 2 takes place two years after the events of Red Dead Redemption, when John Marston, Arthur Morgan's close friend and partner, has settled into life in Mexico. Now he is out to return the favour to the friendly Old West town of Fort Mercer by heading out west to settle a rather large life debt. Red Dead Redemption 2 also lets you play as members of the Van der Linde gang, after the gang disbanded in the previous installment. Red Dead Redemption 2 is scheduled for October 26, 2019. This game was created by a studio called 505 Games. It has a Metacritic score of 91/100. Many reviewers have praised the visuals of the game. Some have said it is "the best game of the year". Its gameplay features can be described as part-co-op and part-open world. It's open world is not just a series of linear walkways and side-quests, but a gigantic and non-linear world that allows you to do a lot of different things, like trying to break out of prisons and free other convicts, hunt down outlaws, search for outlaw hideouts, and find 0cc13bf012
