The main character Tarnished is searching for the lost city of Tamriel, the elden legends say. Among the commercial products of Valve's Steam service, the mobile version of the game "Elden Ring" was selected. It is a new fantasy action RPG where the player character, Tarnished, travels through the unknown lands of Tamriel, the lands between Tamriel and Elden. The objective is to reach the lost city of Tamriel and return with the lost Elden Ring. The land of Tamriel is divided into many different lands, and it is extremely vast. The main character can freely move between these regions. By journeying through the lands of Tamriel,

Tarnished will discover different stories, and take part in the unfolding of the myth of Tamriel. The open-world game “Elden Ring” supports a wide range of actions including various characters, actions and settings. You can freely decide the path your character
