SolveigMM Video Splitter Business Edition 6.1.1611.7+ Serial Key. in 2nd quarter: \$3.9 million Lost in '09 draft: Small Forward Career Outlook Eddy Curry's transition to the NBA has been far from seamless. He has had to overcome weight issues and the

physical toll of playing a particularly grueling position. Fortunately, Curry has a strong supporting cast surrounding him and the team has not been known to lighten his load. Curry's improved play in the second half of the season has propelled him into the first round of this year's NBA Draft. Losing his motor is the one thing that truly could have prevented a season in which he's been named to several NBA All-Star Games. Eddy Curry is hoping to improve on his draft slot with some strong performances in the NBA Playoffs.

Where will he go: 1st round 2nd round 5th round Curry is a hybrid small/power forward who is extremely athletic, yet he lacks the size, strength and conditioning needed to play in that role consistently. The main concern among teams in the second round is his ability to protect the rim and rebound the ball. If his motor is not present the rest of his game will fall apart. At the next level, Curry would find himself in a similar role as he did in college. He would fill the power forward gap left by the veteran's of his team and the transition to the NBA would be much easier for the former all-star. The Case for Out-Schemed by the

Outlaw Idris Abdur-Rahim has created quite the stir over the past few months.

From the moment that he declared himself eligible for the draft, Abdur-Rahim's controversial history with the NCAA led many to question his ability to succeed in the NBA. Due to his status as the leading scorer in college basketball, he was the 14th overall selection in this year's draft. He went on to be paired with another highly-touted freshman and their chemistry was apparent immediately. Playing alongside his brother and fellow freshman
