Welcome to the official website of the KaVinci 8.3 Professional Training Library! The KaVinci 8.3 Professional Training Library includes KaVinci 8.3 eLearning, eLearning components, KaVinci 8.3® eLearning Architect™ (KaVA®), and VLE and Content management Interactivity templates. Watch this video to learn more about the KaVinci 8.3 Professional Training Library. Visit the KaVinci Community & Support for more information, documentation, and support. KaVinci 8.3 Professional Training Library The KaVinci 8.3 Professional Training Library consists of the KaVinci 8.3 Education Suite, KaVinci eLearning and eLearning Components, KaVinci eLearning Architect, and VLE and Content management Interactivity templates, KaVinci 8.3 eLearning Components, KaVinci eLearning Architect and KaVinci 8.3eLearning Architect. Each of these products enable you to quickly create rich, interactive KaVinci eLearning. The result is a truly high-level, sophisticated eLearning solution that drives course-based training to the next level. About KaVinci eLearning KaVinci eLearning enables you to customize your eLearning courses quickly and easily. We currently offer more than 125 core LMS functions in KaVinci eLearning, such as Storyboarding, Course Planning, Course Management, Performance Assessments, Authoring, Content Management and Delivery, Banner Ads Management, and State Management. In addition to the core LMS functionality, we offer more than 50 additional and advanced eLearning features. We know that many KaVinci users customize their eLearning courses. We want to make it even easier to customize courses in KaVinci eLearning. Today, we introduced the KaVinci eLearning Studio. The KaVinci eLearning Studio is a web-based KaVinci eLearning authoring environment. We have created it with KaVinci eLearning to help you create, edit, publish and personalize your KaVinci eLearning courses. It’s available to you. It’s an easy-to-use, browser-based authoring environment. It’s full-featured and free for a limited time. How It Works The KaVinci
