Other new additions to the game include: More control customization through Player Intelligence An all-new Battle Champs series Back-to-Basics Mode The new Battle Champs series contains eight career modes featuring: Official FIFA World Cup™ 2018 ICONIC CLUTCHES Striker Decisions FIFA Ultimate Team™ Climax Team Mode FIFA Ultimate Team™ Manage Mode The all-new Back-to-Basics Mode, where you have the ability to play through the first 22 FIFA matches ranked from the youngest players to the oldest, complete with authentic referee calls and commentary. Battle Champs Bring the best teams from previous FIFA competitions to a new series of faster, shorter matches. Play the first edition of FIFA Battle Champs against other players or your friends via EA SPORTS™ Social, or try your hand at Battle Champs against legendary FIFA players in Ultimate Team, then develop your skills with the game's progression system to win in-game rewards. FIFA 22 – The New Feature Trailer The new feature trailer takes you on a journey through the FIFA 22 reveal and showcases key gameplay features, including: FIFA 22 presents 'Ski Precision Control' as one of the game's most innovative features. It adds even more control and accuracy options to Ball Control and Tackle. In addition, the ball reacts to player movements more accurately than ever. New defensive features have also been included to enhance player freedom and make clear, clean, decisive decisions. The FIFA 22 pre-order packs are now available and when pre-ordering, you'll receive the new Frostbite® Engine, with a number of features exclusive to the game, including: The ability to download the FIFA 22 demo and play on PS4™ or Xbox One in 4K, 60 FPS when connected to a compatible TV The ability to transfer saves and your FIFA Ultimate Team™ players over to your full FIFA 22 game download FIFA 22 fully supports the 4K displays that are available on the current generation of consoles. To unlock the best possible graphics and performance on PS4™ and Xbox One, FIFA 22 will automatically run in the very highest settings. FIFA 22 Gameplay Features Features such as improved ball physics, improved tactics, fast-paced football, goalkeepers, and more, make FIFA 22 playable at any level. The game

Fifa 22 Features Key:

- Introducing "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay. GAME MODES Career Mode – Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game. FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.
- FIFA 22 introduces a more immersive Player Career mode for games with up to 32 players on the pitch, with more ways to progress your Pro and unlock rewards, reach new Personal Ratings milestones, and discover new ways to upgrade your player.
- In addition to the option of building your own team with real players from around the world, FIFA 22's new Football Manager club includes its own unique set of duties, including a Standard Player Card, an Ultimate Team game mode, and daily matches. FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits.
