□An Action RPG where you can freely interact with an open-world large in scale and deliciously enveloping in atmosphere. □Online Combat with friends PROS □A Vast World: An open world that is varied in design and contains an extraordinary amount of content. □Card-Based Online Combat Online combat with friends can be enjoyed in an easy-to-understand card-based format. As a player, you enjoy a variety of different battle styles. □A Multilayered Story Created From a Myth An epic drama in which the various thoughts of the characters intersect in the Lands Between. □Style Enjoyment that You Can Disregard the Rules as You Please Enjoy the game as you please. Whether you like it or not, a large amount of items can be created. To make your play style unique, you can make use of any of the tools that have been created for the purpose of enjoying action games. CONS □Buttons are Hard to Understand A virtual control method that is easy to understand is not a good choice for this game. That is the main reason why it is hard to understand. □The Size of the World is Small There is a problem in that the size of the world is small compared to that of your smartphone. Due to this, it is not possible to enjoy the game efficiently. □No Auto Fix in the Field WHAT MAKES IT DIFFERENT 1. The control method is easy and clear When the instructions and options are directed toward the player, it is possible to enjoy the game more easily. We have made the game so that it can be easily understood. 2. Card-based Online Combat In online play, you can enjoy various genres by using the many cards that you have received. 3. It is a difficult game but it can be mastered by anyone A game that requires careful, precise control can also be played using your intuition. 4. You can enjoy the game in an environment that you feel comfortable in, not forcing yourself to use a fixed online control method You can set the control method to the control method that is the easiest to understand. 5. There are card-based skills, items, and weapons that can be used together You can combine weapons, magic, and items to create your own play style. WHY
