The Ultimate Pro Wrestling Fantasy is a high-octane, muscle-shattering title from Playdemic, makers of the wrestling star-packed wrestling games Armello and Dead or Alive 5: Last Round, as well as acclaimed titles like Dragon Quest Builders 2 and Okami. WrestleQuest: The Ultimate Pro Wrestling Fantasy features unprecedented wrestling action, dazzling sound and animation, and an epic fantasy setting where the rules of pro wrestling are bent to allow you to use the ring as a giant arena. You play as the dream of a pro wrestler whose destiny is set in motion with only 12 days until his rookie year. Enjoy free roam within a massive pixel-art world in which hundreds of wrestlers take center stage in incredibly detailed arenas. Rampage. Slam. Whomp. Moves. FEATURE LIST FOR THE ULTIMATE PRO WRESTLING FANTASY New wrestling action. New gameplay mechanics. New wrestling moves and combinations. All in high-resolution pixel art. Wrestle freely from the confines of the ring to dozens of extra short, 64px arenas Define your path to becoming a professional wrestling star. Upgrade your moves, style, taunts, and more to reach the top of the wrestling food chain! Action-packed wrestling moves set to intense 16-bit sound and an epic fantasy setting. Personalize your persona and evolve your wrestling style by collecting and creating your own dynamic gear to represent your wrestler. Play solo or team up with friends. Search for new allies and embark on epic

quests. Work your way through the ranks. With every victory and match, your reputation with the fans grows. It's time for WrestleQuest!
