The Choirs were recorded in the same concert hall, by the same team as the EastWest/Quantum Leap Symphonic Orchestra and blend perfectly with EWQLSO. Johnson, the EASTWEST/QUANTUM LEAP SYMPHONIC ORCHESTRA is the. also added documentation CD playera. First, I'd like to thank you for your help. I have been practicing non-stop, and I feel the time has come for me to take my music to the next level. In regards to my question, I am looking for a download for my synths, which I believe are called "affinity" from the guy who owns east west studios. I would just like to know if these synths are compatible with all music programs or if they require a specific program? I know you can find the website where to download the program, but would like to know if it is just a special thing from that company? Thanks again for your help, I'm always learning something with you. I have the same question. I am trying to find a download that I can use as a player for my EastWest Hollywood Brass. I have some questions. Is EWOL supposed to be used with Kontakt? Are they compatible with each other? Are they compatible with Kontakt 5? Do I need to pay again for this once I own EastWest Hollywood Brass? Any help would be greatly appreciated. I love EastWest's orchestra and will probably be purchasing the symphonic orchestra gold; however, I am a little confused
