The film's Sinister Six is.Q: Cryptic Crossword Comprehension: British TV series? From the fine folks at Wikipedia, we have an entry about the British TV series, Cryptic Crosswords. If you're unfamiliar with the show, here is the plot summary: Set in the fictional town of Summertown, each episode features a new crossword, with cryptic clues, and the contestants must create a crossword that corresponds to the theme. The solutions are usually in the form of short phrases. From the information provided, you can deduce that the show is hosted by a seventy-something lady called Miriam. There is also a mayor, named Jeffrey, and two high school teenagers, whose names are Henry and Brian. The main mysteries are usually straightforward, but there are a few more enticing puzzles, typically involving a cryptic clue involving some sort of item or character from the show itself. For example, in episode 5, season 3, puzzle no. 3 states: Host Jonathan talks about mystery numbers. Here, solution: Colors at the end of the rainbow. However, the real joy of the show comes from the clues, for example, season 1, puzzle no. 1: A band is created, in which one of the members is a serial killer. Solution: In which one of the four is a murderer. As you can see, there are plenty of non-linear clues that don't always lead to easy solutions. My question is this: Do you recognise any of the clues in the puzzle? Also, here is the original clue image, for those of you who might like to create your own crossword: Hint: If you have any idea what the show is about, tell me! A: Partial: Every word is from the questions here: (1) 'What's the name of the show?' (2) 'who is the host?' (3) 'in what c6a93da74d
