
**Command And Conquer Generals Zero Hour Windows 7 64
Bit Download ((NEW))**

Scroll down to Win 7 -64bit and follow the instructions. . Usually Windows 10 already has a version of DirectX (DX12). (as long as there is a recognized GPU). The game ... must be DirectX10. If DirectX 11 - then it must also be DirectX11. . I know that Windows 10 has DirectX12, but since then I haven't found anything on the Internet on this subject, except for one (and then not entirely accurate) document from Microsoft.. Windows 10 DirectX12 is not the same as DirectX11 If so, DirectX11 is what I have and is what I want, but DirectX12 is what I want, but DirectX11 is what I have. I need to install DirectX
